

**Subject:** Results from MathLeague Elementary School Contest at Nugget Casino Resort on February 11

Here are the final results from Monday's MathLeague elementary school contest at Nugget Casino Resort. The MathLeague Elementary School contest (through grade 6) covers math typically taught through 6<sup>th</sup> grade.

- February MathLeague Contest, February 11, scores below and also on our website at <https://www.artofdoingmath.org/math-contest-results/>
- March MathLeague Contest, March 11. Last chance to qualify for MathLeague's Nevada State Math Championship. Register now at <https://www.artofdoingmath.org/registration-form-march/>
- MathLeague Nevada State Math Championship, date and location pending
- MathLeague National Math Championship, June at Texas A&M

**School Awards** are issued to schools based on their top elementary school grade. Division 5 schools are those without 6<sup>th</sup> grade and Division 6 schools are those with a 6<sup>th</sup> grade.

- Schools, Division 5
  - 1<sup>st</sup> Place, Westergard Elementary School
  - 2<sup>nd</sup> Place, Melton Elementary School
  - 3<sup>rd</sup> Place, Coral Academy of Science Elementary School
- Schools, Division 6
  - 1<sup>st</sup> Place, Coral Academy of Science Middle School
  - 2<sup>nd</sup> Place, Gomm Elementary School
  - 3<sup>rd</sup> Place, Caughlin Ranch Elementary School

**Team Awards** are based on the Team Test and group all schools together, regardless of division. For each school, students organize in one or more squads of up to 4 students each.

- 1<sup>st</sup> Place, Coral Academy of Science Middle School (Alexander W, Anushka M, Zack G)
- 2<sup>nd</sup> Place, Westergard Elementary School (Marc F, Owen L)
- 3<sup>rd</sup> Place, Coral Academy of Science Middle School (Ashwin V, Benjamin W, Brianna Mae M, and Preston A)

**Individual Awards** are by grade. First place finishers, in addition to a trophy, won \$50 cash prize.

- 3<sup>rd</sup> Grade
  - 1<sup>st</sup> Place, Aaron F (Westergard Elementary School)
  - 2<sup>nd</sup> Place, Aryaa D (Hunsburger Elementary School)
  - 3<sup>rd</sup> Place, Ahana M (Caughlin Ranch Elementary School)
- 4<sup>th</sup> Grade
  - 1<sup>st</sup> Place, Melody S (Gomm Elementary School) (Q)
  - 2<sup>nd</sup> Place, Andy K (Caughlin Ranch Elementary School)
  - 3<sup>rd</sup> Place, Lakshmi Hasitha N (Coral Academy of Science Elementary School)
- 5<sup>th</sup> Grade
  - 1<sup>st</sup> Place, Alexander W (Coral Academy of Science Middle School) (Q)
  - 2<sup>nd</sup> Place, Brianna Mae M (Coral Academy of Science Middle School)
  - 3<sup>rd</sup> Place, Marc F (Westergard Elementary School)
- 6<sup>th</sup> Grade
  - 1<sup>st</sup> Place, Zack G (Coral Academy of Science Middle School) (Q)

- 2<sup>nd</sup> Place, Anushka M (Coral Academy of Science Middle School) (Q)
- (Q) Notes students qualified for the state championship based on their performance Monday.

Congratulations everyone! Thank you for participating.

Our next and last monthly elementary school contest of the 2018-2019 season is March 11. Please register at <https://www.artofdoingmath.org/registration-form-march/>

The March contest is last chance for students to qualify for the MathLeague Nevada State Championship. The current list of 2018-2019 qualifiers is at <https://www.artofdoingmath.org/math-contest-qualifiers/>

Please email with any questions, discussion, or recommendations.

Very respectfully,  
Matthew

Matthew Weaver

Art of Doing Math hosts free math practice in the greater Reno, Sparks, and Lake Tahoe area of northern Nevada, free practice materials, and are, since November, the official host of MathLeague's local contests. Art of Doing Math is purely non-profit and any funds received are used to pay direct out-of-pocket costs for this and future contests. All labor is strictly volunteer.
