

**Subject:** Results from MathLeague Middle School Contest at Nugget Casino Resort on January 29

Here are the results from Tuesday's MathLeague middle school contest at Nugget Casino Resort. The MathLeague Middle School contest (through grade 8) covers math typically taught through 8<sup>th</sup> grade.

- January MathLeague Contest, January 29, scores below and also on our website at <https://www.artofdoingmath.org/math-contest-results/>
- March MathLeague Contest, February 12. Register now at <https://www.artofdoingmath.org/registration-form-february/>
- (INTER)2 SECT National Championship, April 6, Silicon Valley, California

**School Awards** are issued based on a school's overall score (the "sweepstakes" score) which is obtained by adding the individual scores of the team members, dividing by 4, and adding twice the team's score on the team test. A maximum team total would be 66 points (46 points if the team had four members with perfect individual scores, 20 for the team test). Ties are broken by comparing team test scores (weighted by item analysis.. Our winners for the January contest:

- Schools,
  - 1<sup>st</sup> Place, Davidson Academy of Nevada
  - 2<sup>nd</sup> Place, Coral Academy of Science Middle School
  - 3<sup>rd</sup> Place, Swope Middle School

**Team Awards** are based on the Team Test. For each school, students organize in one or more squads of up to 4 students each. In overall results:

- 1<sup>st</sup> Place, Davidson Academy of Nevada (Alex D, Archit D, and Megan D)
- 2<sup>nd</sup> Place, Coral Academy of Science Middle School (Alexander W, Zack G)
- 3<sup>rd</sup> Place, Swope Middle School (Duc L, Jun K, Kagan U, and Sean U)

**Countdown Round** involved the overall top four individual finishers.

- Winner, Megan D (Davidson Institute of Nevada)

**Individual Awards** are by grade. First place winners, in addition to a trophy, earned \$50 cash prize.

- 6<sup>th</sup> Grade
  - 1<sup>st</sup> Place, Alex D (Davidson Academy of Nevada)
  - 2<sup>nd</sup> Place, Alexander W (Coral Academy of Science Middle School)
  - 3<sup>rd</sup> Place, Kagan U (Swope Middle School)
- 7<sup>th</sup> Grade
  - 1<sup>st</sup> Place, Ardarsh A (Pine Middle School)
  - 2<sup>nd</sup> Place, David C (Vaughn Middle School)
- 8<sup>th</sup> Grade
  - 1<sup>st</sup> Place, Megan D (Davidson Academy of Nevada)
  - 2<sup>nd</sup> Place, Sean U (Swope Middle School)
  - 3<sup>rd</sup> Place, Archit D (Davidson Academy of Nevada)

Congratulations everyone! Thank you for participating.

We invite your students to join us for our next official MathLeague contests on February 11th (through grade 6) and 12<sup>th</sup> (through grade 8), same place, same time as January's contests. Please register at <https://www.artofdoingmath.org/registration-form-february/>

Please note that monthly contests are normally about a month apart. January's contest was rescheduled from the 14<sup>th</sup>-15<sup>th</sup> to the 28<sup>th</sup>-29<sup>th</sup> to avoid conflict with WCSD students returning from their holiday break on the 14<sup>th</sup>.

Please email with any questions, discussion, or recommendations.

Very respectfully,  
Matthew

Matthew Weaver

Art of Doing Math hosts free math practice in the greater Reno, Sparks, and Lake Tahoe area of northern Nevada, free practice materials, and are, since November, the official host of MathLeague's local contests. Art of Doing Math is purely non-profit and any funds received are used to pay direct out-of-pocket costs for this and future contests. All labor is strictly volunteer.
